

ASSIGNMENT 3

Please continue format document (`\\priede\grozs\datorlietas\computers_in_biology\meza_tipi.docx`) based on following rules. Example of formatted document can be found in document (`\\priede\grozs\datorlietas\computers_in_biology\meza_tipi.pdf`).

To format images and table use formatting Textbox or Frame.

Use automatic figure numbering by using field SEQ (Menu: Insert – Quick parts – Field).

For number of each figure use bookmark (Menu: Insert – Bookmark) and name it. Later by field REF create links of them in text (look at example).

Please index all terms (look at example) by using Menu References – Index – Mark Entry. Later create list of indexes.

Please automatically create table of content and list of figures.

Please send formatted document to Didzis.Tjarve@lu.lv
